

Announcement of Sole Source Procurement:

Date: January 29, 2015

Having determined that a single source is practicably available to the Town of Abingdon, for the purpose of:

Receiving, disassembling, sandblasting, cleaning and fabrication, repair and restoration of cast Iron, hard wood, glass, electrical, painting, and all such as is necessary to accomplish in *Two Antique English Phone Enclosures*. And determining such practicality dictates that the provider is in close proximity to the Town of Abingdon, in order to allow for needed inspections and safe delivery and recovery of the same. The Town of Abingdon announces that such work is awarded to Keller Enterprises of Abingdon, Virginia.
